Summary of Comments from the Public

Maui Oluwahi Homes, Inc. held an in-person public hearing on May 29, 2024, at the Auditorium at J. Walter Cameron Center regarding the 60-unit Manufactured Home Rental Community development in Makawao, Maui, Hawaii. The public hearing notice was posted in Maui News and on Facebook in the group Maui Bulletin. The public hearing facility is handicap accessible. A total of four people were present at the public hearing. Additionally, two other people called in with questions and comments. Maui Oluwahi Homes, Inc.'s entire HUD PRICE competition grant application was published on the website www.oluwahi.org. The public has until June 30, 2024, to submit their comments.

Comments from the public received through in-person presentations, email, and phone calls are as follows:

1. **Steve McCullough from Island Container Homes:** Does a manufactured home need building permits from the county on Maui? Maui needs a lot of this kind of development to meet the housing needs.
2. **Mathew Smith from Upcountry Handy Man:** It will be amazing if we can build this community.
3. **Stephanie Fang from American Savings Bank:** I would love to move into this community. When can this project be finished?
4. **Kevin Mathis from Four Seasons Resort Maui:** A great project for upcountry Maui. I would like to contribute and volunteer to help.

There were no objections from the community.

Summary: There was a lot of great feedback from the community with no objections to the project. Most people are looking forward to seeing the project get started and completed.
